

Automatic Payment Authorization

Electronic Payment

We are pleased to offer our customers an automatic debit service for monthly rent payments. With this service, you can have your payments made automatically from your checking or savings account. You don't have to change your present banking relationship to use this service.

The direct payment service will help you in several ways:

- Saves time – fewer checks to write.
- Helps meet your commitment – even if you're on vacation or out of town
- Saves postage.
- Easy to sign up for, easy to cancel.
- Avoids late charges.

Here's how the ACH Automatic Payment works:

You authorize regularly scheduled payments to be made from your checking or savings account. Your payments will be made automatically each month. Proof of payment will appear on your bank statement. To take advantage of this service, complete the attached authorization form and return it to us.

Authorization

I authorize the self storage facility indicated below to initiate entries to my checking/savings account. This authority will remain in effect until I notify you in writing to cancel it in such time as to afford the financial institution a reasonable opportunity to act on it. Please attach a deposit slip or voided check to verify account and routing numbers.
